# CALVARY COOKIE FACTORY

## 2010 – 2011

It's our 29th year of "production!" Cookie Factory typically bakes 800--1000 dozen cookies per month for 400-500 midshipmen. The profits have funded more than 37 ***Youth*** work mission trips (home repairs and construction for needy persons) in surrounding states and abroad—benefiting many people, not least of all, the youth and adults from our congregation who have participated in the projects.

To help finance our 2010-2011 Work Mission Projects the ***youth*** of Calvary United Methodist Church are again offering the "Cookie Factory" Care Package Service. Chocolate chip cookies will be baked at the church and delivered fresh to the Academy on the dates listed below. *Please plan to place your order at least one week ahead of time to insure that it can be included on the date of delivery.*

Calvary's telephone number is (410)268-1776 or (410)268-6035. Fax number is (410)268-5283.

Thank you for supporting our **Youth Mission Projects.**
